

```
std::vector< neuron >
```

A diagram illustrating inheritance. A light gray box at the top contains the text `std::vector< neuron >`. A dark gray box at the bottom contains the text `mlp::layer`. A blue arrow points vertically from the top of the `mlp::layer` box to the bottom of the `std::vector< neuron >` box, indicating that `mlp::layer` inherits from `std::vector< neuron >`.

```
mlp::layer
```
